2. I have the honor to acknowledge the receipt of your letter of the 20th AS 1925/4344 dated 20 7 1925. I am sorry to hear that the scale of the French Rock Municipality is not satisfactory. It is stated that the scale of the French Rock Municipality at present is 20 1 25. The clerk appointed will be on AS 20. The minimum for the scale is 20 1 25. In the high scale occurs, this clerk will be appointed in the scale and a high clerk on AS 20. He is appointed in his place. The frequent change is stated to cause inconvenience work which is unfortunately. Besides, it is stated that the French Rock Municipality has for an increase more than AS 100 per year and as such it may be classed as a 100 dollar municipality which is entitled to have a clerk of the higher scale or pay more. By the revision of the scale now in force there will be an average increase in AS by AS 11-4-0 (33-12-0 minus 22-8-0) with a minimum of AS 5. The proposed scale is a single instead of a duplicate of the present rules. Also proposed is that this is a matter of administration.
